

Queensland Integrity Commissioner

Strategic Plan 2019-2022

Our vision

Encouraging confidence in public institutions and public office

Our purpose

The Commissioner's purpose is fourfold:

- To **advise** designated persons on ethics and integrity issues
- To raise **public awareness** of ethics and integrity matters
- To **set standards** on ethics and integrity matters
- To **regulate** lobbyist activity and maintain the register

Encouraging confidence in public office & public institutions

OUR VALUES

Challenge

Value integrity by contributing to research in the area of integrity.
Challenge misconceptions and myths around ethics and integrity

Engage

Value integrity by promoting integrity.
Engage with the public and public officials to raise awareness about ethics and integrity, and the role of the Queensland Integrity Commissioner

Lead

Value integrity by projecting integrity.
Show leadership by developing and promoting good practice standards for ethics and integrity

Resolve

Value integrity by embedding integrity.
Support and assist designated persons to resolve ethics and integrity issues in the public interest
